

# 2011 Long Beach Connections Vulnerability Survey

July 25th, 26th, 27th & 28th

Since 2009, Long Beach Connections has housed 25% of people surveyed on the streets of downtown Long Beach.

Join us July 25th-28th as we conduct a follow up to our 2009 survey, reconnect with our homeless neighbors and work towards housing each one of them. By knowing **who** and **where** homeless people are, we can identify those who are most vulnerable and are better able to provide vital services and move more people into permanent housing.

To get involved and stay informed, please call **(323) 644-2200**, or email **LBCconnections@epath.org** with your contact information.
