

# IMPACT STATEMENT – 2019

PATH’s mission is to end homelessness for individuals, families, and communities.

## PATH’s Work

Since its founding in 1984, PATH has pioneered bold and effective approaches to assist people experiencing homelessness. PATH operates services throughout California, connecting clients to a comprehensive continuum of homelessness prevention, street outreach, employment preparation and placement assistance, individualized case management, supportive services, interim housing, and permanent supportive housing. Our real estate arm, PATH Ventures, was created in 2007 and has 1,351 units of supportive housing built or in development.

## PATH ends homelessness and builds communities in 3 ways:

### 1. SUPPORTIVE SERVICES

Strategic street outreach, assertive community treatment, system navigation, employment assistance, housing placement, and housing retention.

### 2. HOUSING

#### Interim Housing

Low-barrier, harm reduction, and recuperative care.

#### Permanent Housing

Site-based supportive housing and rapid re-housing.

### 3. COMMUNITY ENGAGEMENT

Community mobilization, customized community solutions, and partnerships.

## PATH's 2019 Highlights

### Los Angeles

- Opened A Bridge Home Schrader in Hollywood, an interim housing site that provides 72 beds for individuals experiencing homelessness in Hollywood.
- Opened A Bridge Home Casa Azul near downtown Los Angeles, an interim housing site for women that provides 41 beds and 5 rooms for families.
- The Metro Outreach program expanded from 2 teams to 11 teams. This program engages our homeless neighbors who use public buses or trains as a temporary shelter.

### San Diego

- The Whole Person Wellness (WPW) program expanded from 5 teams to 17 teams. WPW serves high utilizers of health services and demonstrates the critical need for collaboration between the healthcare system and homeless services.
- PATH's first Justice Outreach program launched in partnership with the Public Defender's Office and the Sheriff's Department. This program provides intensive case management, shelter, and housing services to justice-involved individuals experiencing homelessness, with the goal to reduce recidivism as it relates to homelessness.
- In partnership with Blue Shield of California and Molina Healthcare, Health Homes Program launched to provide care coordination and housing navigation to people with chronic medical and mental health needs.

### Santa Barbara

- Started a new Rapid Re-Housing program, which increased housing opportunities in a very tight rental market.
- Launched LeaseUp Santa Barbara—a countywide landlord engagement program to help landlords fill their vacant units and connect our homeless neighbors to homes.

### San Jose

- Villas on the Park, a development that provides 83 units for individuals who have experienced homelessness, opened in November 2019. On-site services are available for tenants, and Villas also includes space for PATH's street outreach team.
- Started billing Medi-Cal for Intensive Case Management services. This is PATH's first ever Medi-Cal program.
- PATH Ventures selected the second supportive housing site in San Jose and it is currently in predevelopment.
